

Find your Gloves Size

To find your size, measure the circumference of the widest part of the hand above the knuckles, in inches, excluding the thumb.

You should use your dominant hand, the right if you are right-handed, and the left if you are left-handed. When in doubt round up for the next size.

Women's Gloves Size

XS	S	M	L
6,5	7	7,5	8

Men's Gloves Size

XS	S	M	L	XL
8	8,5	9	9,5	10
